Parish Priest: Father Behruz Raf'at  
Parish Deacon: Rev. Bill Eason (*Retired*)

You are warmly welcomed as you join our Parish Family at St. Justus and St. Anselm of Paddock Wood and Pembury. We are delighted to have you among us. I hope you settle well into the area and begin to feel at home in our Parish. It is bound to take time, especially if you have moved in from another country completely. Things are done differently everywhere and each Parish has its own distinctive feel. What I really hope is that you receive a strong sense of happiness and belonging from the moment you arrive here.

Our Parish consists of two main communities - St. Justus (Paddock Wood) and St. Anselm (Pembury) - that are roughly 5 miles distance apart from each other, but we are all one Parish Family. There are various villages that are within our Parish boundary including Brenchley, Matfield, Five Oak Green, Tudeley, East Peckham and Laddingford.

We have an average Mass attendance of 229 attending three different Masses (although that hopefully will have increased slightly since your arrival) so I hope you are soon able to make friends and feel part of the Parish. If you have very young children, all the better, for we have children's liturgy at both the 9am Mass and 10.30am Mass. Please do not feel embarrassed about noise or hyperactivity - it's a joy that they are here.

Other activities and groups involve a Ladies Group, Prayer Group, S.V.P., Quiz Nights and Social Committee. Please feel free to enquire about any activity within our Parish, or indeed any plans about what you wish to introduce.

Meanwhile, may I say again how very welcome you are. We look forward to you being very much part of our Parish Family. God Bless you always.

Father Behruz Raf'at (Parish Priest)
